

# Pupil Premium – 2017-2018

The Annual Pupil Premium has been introduced to help address the emotional and social wellbeing of 'identified' children. Schools have the authority to spend the Pupil Premium; in any way they wish, as long as it supports raising attainment and progress for these pupils.

A child is entitled to Pupil Premium if they are: -

- Children who are or have been eligible for free school meals (DP) at any time during the last six years, each receive £1,320
- Children who have been 'looked after' by the Local Authority (CLA) continuously for more than six months, each receive £2,325
- Children whose parents are serving in the British Armed Forces are each entitled to £300

## Principles

At Richard Avenue Primary School, we use our Pupil Premium to provide a wide range of opportunities and also to support interventions where we have identified 'gaps' in pupils' individual progress or attainment to support us in meeting the needs of all children. These children's progress is monitored/tracked as part of our regular, half termly, whole school tracking, to ensure they are making at least expected progress and if there are concerns they are swiftly identified and provided with intervention.

Pupil Premium funding is allocated to support any child who may belong to a vulnerable group or is socially disadvantaged to meet their needs and support in their education.

**Our Pupil Premium allocation for academic year 2017/18 = £130,680**
