

# Sports Funding – 2018-2019

From September 2013 the Government allocated funding directly to primary schools to support the provision of high quality P.E./sport.

This year each school will receive £16000 plus an extra £10 per pupil for those aged 5yrs and above; totalling £19,530.

## Principles

- To hire specialist P.E. and qualified sports coaches to work alongside teachers when teaching P.E. with the aims of; increasing professional knowledge through sport-specific CPD, increasing teacher skills and confidence in teaching a variety of sports.
- To improve the quality of materials and resources for P.E./sport in our school.
- To increase the provision of clubs and places for pupils outside of school hours.
- To increase the professional development opportunities in P.E./sport for all our teachers, which might include providing cover or release time for teachers to engage in professional development in P.E./sport.
- Give increased access and participation in sports competitions and inter-school games, particularly within the cluster group of local schools.
