

School Data Summary for 2023 - 24

Please note that there have been some significant changes to primary assessment since our data summary in 2022-23. This includes:

- We are no longer required to report KS 1 data due to the removal of both test and teacher assessment requirements by the Department for Education (DfE).
- KS 2 data does not include any progress measures for 2023-24 as that year 6 cohort have no prior attainment data from KS 1 due to the COVID pandemic closure of schools.

We outline our data summary for 2023-24 based on the unvalidated data we have available to us.
